

# Jacob Redmond

IT-Web Software Developer

jmredmond6@icloud.com

(715) 966-1276

Rhineland, United States

Hi, my name is Jake! I am a Western Governors University student, and I am currently striving toward my goals to become a software/web developer. I am a driven and hard working student looking to get my foot in the door in the world of software development. I would love nothing more than to see myself with a bachelor's degree and first-hand work experience!
